## CHATEAU NORTON

**HE KEEPS THE WINE FLOWING** on his witty talk show, and now Graham Norton's fondness for the tippie has led him to create his own white wine. He got a little help from a New Zealand winery, who flew ingredients to London so that he could blend his own Sauvignon Blanc. Verdict? Light and fruity, it goes down well! All proceeds go to Dogs Trust, a charity close to Graham's heart.

Majestic stores, £8.99
