

Crushing on Rosé

INVIVO'S HUGELY successful collaboration with UK talkshow host Graham Norton continues with the release of Graham Norton's Own 'Pink by Design' Rosé 2016. The blush pink wine is slightly sweet and very fruity, with aromas of raspberry, strawberry, lime zest and melon. Invivo winemaker Rob Cameron describes it as "... a very fruity wine for a sunny day – or the perfect way to make any day feel sunny." The Pinot Noir and Pinot Gris blend uses grapes grown in Marlborough and Hawke's Bay. 12.5% ABV. RRP \$18.99.
