featuring all of Justin Hurwitz's original songs, including Another Day Of Sun and City of Stars, and John Legend's surefire hit Start A Fire.

Re-release

David Bowie
Legacy The Very Best of Bowie

This CD compilation has 40 of Bowie's most popular tracks and singles, from 1969's Space Oddity, through to the last singles Lazarus and I Can't Give Everything Away. Includes unreleased version of 1971 single Life On Mars? mixed by its original producer Ken Scott.

His enemies will be mutant creatures - but developers have warned this game is much more of a puzzle-solving adventure than the run and gun-types in previous stories.

Resident Evil will feature an entirely

have to reconnect with its core fanbase to make the game an ultimate success.
