

### **Graham Norton & Invivo**

Graham Norton's 2016 vintage sauvignon blanc for Invivo is just as cheeky as the man himself, packed with passionfruit, nectarine, feijoa and lime zest flavours. Invivo co-founder Tim Lightbourne and winemaker Rob Cameron travelled to Norton's holiday home – Bantry House in County Cork, Ireland – along with six Marlborough sauvignon blanc pressings, for a blending session (we can only imagine Graham's puns around that one). New for 2016 is also Graham Norton Shiraz. Graham Norton's Own Marlborough Sauvignon Blanc 2016 vintage, \$18.99 from New World, Pak N Save, Liquor King and other good liquor outlets nationwide

### **Gubinge powder**

Gubinge is the name the Aboriginal Nyul Nyul of Kimberley give to the kakadu plum – a potent, natural source of vitamin C. Loving Earth dehydrate the gubinge and mill it into a powder that you can add to breakfast bowls, smoothies or baking. All profits go back to the Nyul Nyul, too. Nice!

RRP \$22.90 for 50g. [lovingearth.net/gubinge-powder](http://lovingearth.net/gubinge-powder)
