LOUIS BOUILLOT
Grande Reserve Brut

Louis Bouillot was founded in 1877 by Jean Bouillot in Nuits-Saint-Georges, a little village nestled the heart of the Côte d'Or. A wine and spirits merchant, Bouillot was one of the few in his day to specialise in Crémant de Bourgogne. This wine is aged for 24 months, far past the legal requirement of nine months, to ensure that the lees impart the maximum aromas and finesse to the wine.
